Title of the Best practice: Plastic Free India programme.

Objective of the Practice: To create awareness about the cleanliness and its importance in the protection of the environment to ensure good health.

The college conducted one-day cleanliness programme on 2nd October on the occasion of Gandhi Jayanti. To mark the 150th birth anniversary of Mahatma Gandhiji, the government had initiated various programmes and one such programme was the Plastic Free India programme. This programme was an initiation under the Swatch Bharat Abhiyan which aims to achieve the vision of clean India by the Government. In this programme, the faculty and the students of our college took an active part in cleanness drive in and around the area near All India Radio and T.V. Station, Haliyal Road Dharwad. Thus, with such initiatives, the college tries to create awareness with regard to cleanliness among the students to have concern towards the environment.
